

CLOSING OF CASH TRANSACTION FACILITY

Dear Members,

1. With effect from 18th May 2026, cash transactions will **not** be accepted for settling of bills for orders placed at the Gyms Inn, Pavilion and other F&B outlets of the Club. Members who wish to make payments in cash may kindly do so by charging their Membership Card with cash in advance at the Main Reception, before proceeding to the F&B outlets. The bill can, thereafter, be settled through use of pre-charged Membership Card.

2. For those who may not know, your Membership Card is digitally enabled to serve you as a Debit Card at your club. You can charge them with money through use of Cash or Bank Credit/Debit cards at the Main Reception.
