

BRIDGE

NON-MEMBER GUIDELINES DURING IN-HOUSE BRIDGE EVENTS

Members are hereby informed of the following Non-Members' club entry & exit guidelines during Bridge in-house events:

Guest Management: Non-Members who have paid the tournament entry fee are permitted access only to the designated Bridge event venue. Entry registration must be completed before the event's start time. Only the Non-Member participants whose names have been given to the reception in advance will be allowed entry into the club.

Post-Event Access: Should a Member wish to host a guest after the Bridge event, the guest must be introduced at the reception, and the applicable guest entry charges must be paid. The tournament fee covers only the Bridge event.

Player Details: Non-Member Participants will be allowed entry 30 minutes before the event and must leave within 15 minutes after it concludes unless they are registered as guests by a Member.

Members are requested to ensure compliance with these guidelines to maintain the smooth functioning of our facilities.

Saurabh Ratan
