

SQUASH COURT BUILDING RENOVATION **SURVEY**

We would like to extend our gratitude to the Members for the overwhelming response on the squash court building renovation survey. These inputs are crucial to enhancing Bombay Gymkhana's sporting and recreational facilities.

To further utilize the permissible FSI available at the squash court building, we are sending this circular once again to all Members in order to gather additional input from those who may have missed the three circulars dated 22nd, 30th January and 6th February 2025.

As valued Members, your inputs are crucial in shaping the area usage plan to best cater to your foresighted preferences and needs.

Kindly share your preferences and any additional suggestions to help us create a world-class facility for all by filling out the google form, the link / QR code for which is as follows:
